Adapted from Muy Bueno Cookbook

- 20 or so green onions (large ones), washed and trimmed
- 2 tbsp. butter, cut into small chunks
- 2 tbsp. soy sauce

Directions

Place onions on a large sheet of foil and evenly distribute butter and soy sauce. Seal securely in the foil. Grill in the foil for 10 to 12 minutes. Remove from the foil and place across the grate of the grill. Grill for 5-10 minutes on each side, until soft and lightly charred.

Note: The recipe also says this can be done under the broiler in a similar way
